Dear School Based Services Provider:

On May 15, 2007 the Centers for Medicare and Medicaid approved the State Plan Amendment (SPA) 04-02 to add Licensed Practical Nursing (LPN) services to those covered under the Medicaid School Based Services program that was submitted in March 2004. For those Intermediate School Districts (ISDs) that billed LPN services, the federal matching funds will be claimed retroactive to the effective date of January 1, 2004. As of the June 1, 2007 reporting period LPN services will be included in normal monthly payment amount along with all other services.

The total amount of the retroactive revenue to be paid out to those providers that billed LPN services is **\$496,050.72** and will appear on the June warrants. A breakdown by ISD is available upon request.

If you have any further questions or concerns, please contact Linda Sowle at 517-241-8398 or by e-mail at sowlel@michigan.gov.

Sincerely,

A handwritten signature in black ink that reads "Paul Reinhart".

Paul Reinhart, Director
Medical Services Administration
